

**Non-Highway Projects - Statewide Mobility Category**

Statewide P5.0 Score Order	Mode	Route / Facility Name	Description	SPOT ID	TIP	Cost to NCDOT	NCDOT P5.0 Statewide Mobility Score (100)	DRAFT Right-of-Way Date	DRAFT Construction Date	Eligible for Regional Impact Local Input Points
1	Aviation	CLT - Charlotte Douglas International Airport	Construct the fourth parallel runway of 12,000 feet in length and 150 feet in width, associated end-around-taxiways, and hold pads. (3667)	A171058	AV-5879	\$500,000	99.64		FY 2025	No - Fully Funded in Statewide Mobility
2	Aviation	CLT - Charlotte Douglas International Airport	design and construct aircraft ramp that will accommodate Concourse A Expansion Phase I to provide additional aircraft parking and taxilane. (3543)	A171055	AV-5880	\$500,000	90.05		FY 2025	No - Fully Funded in Statewide Mobility
12	Rail	CSX SF Line	Construct grade separation of SR 1377 (Wesley Chapel Stouts Road) and closure of existing at-grade crossing (Crossing # 631 925D) to enhance Stouts Siding usage in Indian Trail.	R171151	P-5744	\$10,000,000	82.30	FY 2025	FY 2027	No - Fully Funded in Statewide Mobility
17	Aviation	CLT - Charlotte Douglas International Airport	Design and construct the remaining portion of the ramp for Concourse A Expansion Phase II. (3668)	A171066	AV-5881	\$500,000	81.39		FY 2027	No - Fully Funded in Statewide Mobility
33	Rail	NS Main Line	Construction of grade separation on Clanton Road extension to US 29&74 (Wilkinson Boulevard) and closure of existing at-grade crossing Donald Ross Road (Crossing # 716 178E).	R150008	P-5730	\$20,265,000	73.52			Yes
46	Rail	CSX SG Line	Construction of a 14,000-foot (or longer) rail siding to alleviate block crossings in Waxhaw. The project includes a grade separation of SR 1326 (Collins Road) and closure of existing at-grade crossing (Crossing #638 879D) near Waxhaw.	R171148		\$23,250,000	67.39			Yes
50	Aviation	CLT - Charlotte Douglas International Airport	Construct an additional 10-12 gates needed to support the future aircraft gate requirements. This expansion would widen the concourse and expand to the east off of the south end of the concourse. This includes passenger boarding gates, hold rooms, public restrooms, circulation areas with moving sidewalks, concession areas, and other support areas.(3662)	A171053		\$500,000	65.78			Yes
51	Aviation	CLT - Charlotte Douglas International Airport	Construct an additional 8-10 gates needed to support the future aircraft gate requirements. This expansion would widen the concourse and expand to the west off of the south end of the concourse. This includes passenger boarding gates, hold rooms, public restrooms, circulation areas with moving sidewalks, concession areas, and other support areas. (3663)	A171054		\$500,000	65.78			Yes
54	Aviation	CLT - Charlotte Douglas International Airport	Extend the concourse north toward Old Dowd Road. This project will include a three level pier including 16 passenger boarding gates, hold rooms, public restrooms, and circulation areas with moving sidewalks, concession areas, a baggage conveyor system, and other support areas. (3661)	A171052		\$500,000	65.31			Yes
55	Aviation	CLT - Charlotte Douglas International Airport	Construct an expansion of the current terminal lobby including all four levels of the ticketing area for additional public circulation space, main lobby area, baggage claim lobby area, security check point areas and airline ticket counter queuing spaces, as well as associated mechanical and support areas. (3673)	A171064		\$500,000	65.16			Yes

**Non-Highway Projects - Statewide Mobility Category**

Statewide P5.0 Score Order	Mode	Route / Facility Name	Description	SPOT ID	TIP	Cost to NCDOT	NCDOT P5.0 Statewide Mobility Score (100)	DRAFT Right-of-Way Date	DRAFT Construction Date	Eligible for Regional Impact Local Input Points
60	Rail	NS Main Line	Construction of grade separation SR 1191 (Old Dowd Road) and closure of existing at-grade crossing (Crossing #716 184H) in Charlotte.	R150006		\$20,940,000	63.06			Yes
64	Rail	CSX SF Line	Construction of Richardson Creek Siding extension to provide run around capability clear of the main track for access to Charlotte in Monroe. (Approximately MP SF 300.35 to MP SF 305.79)	R171139		\$15,700,000	61.52			Yes
75	Rail	CSX SF Line Line CSX SG	Proposed rail connector track between the CSX SG line (Monroe to Waxhaw) and CSX SF line (Monroe to Charlotte) on new alignment. (Approximately MP SG 306.09 to MP SG 311.32 and MP SF 306.10 to MP SF 310.45) This proposed track would be located on the west side of the City of Monroe in Union County, however the exact alignment has yet to be determined.	R171137		\$26,800,000	55.39			Yes
76	Rail	NS/NCRR Main Line	Relocate AC&W Railroad on new alignment near Sugar Creek Rd. heading southwest to intersect the North Carolina Railroad near Craighead Rd. Construct new track in NCRR corridor to NS Freight Yard near current AmTrak station.	R150009		\$18,600,000	55.35			Yes
78	Rail	CSX SF Line	Construction of grade separation in the vicinity of Hoskins Road and closures of existing Hoskins Road at-grade crossing (Crossing # 631 426M) and Goff Street at-grade crossing (Crossing # 631 425F) in Charlotte.	R171135		\$15,370,000	54.82			Yes
79	Rail	CSX SF Line	Construction of grade separation of Hovis Road and closure of existing at-grade crossing (Crossing # 631 792N) in Charlotte.	R171136		\$11,525,000	54.48			Yes
91	Aviation	CLT - Charlotte Douglas International Airport	Construct a third aircraft rescue and firefighting station as a requirement of the construction of a fourth parallel runway. (3671)	A171065		\$500,000	47.37			Yes
97	Aviation	CLT - Charlotte Douglas International Airport	Design and construction of a new lavatory and fueling facilities on an expanded ramp area north of the future A Ramp. (3670)	A171067		\$500,000	40.21			Yes
99	Aviation	CLT - Charlotte Douglas International Airport	Relocation of the Center Airfield Lighting Vault to facilitate the construction of the South Ramp Expansion to accommodate the Concourse B and Concourse C Expansions.(3666)	A171060		\$500,000	39.54			Yes
101	Rail	CSX SG Line	Construct a grade separation in the vicinity of SR 1300 (Helms Road) and closure of existing at-grade crossing (Crossing #638 897B) near Waxhaw.	R171150		\$19,210,000	36.80			Yes
114	Aviation	CLT - Charlotte Douglas International Airport	Design and construct two new jet fuel pumping and filtering stations. (3672)	A171059		\$500,000	17.17			Yes
