

**Approved TRANSIT Project Submittals
NCDOT Prioritization 6.0/2023-2032 TIP Development**

Carryover: Project is currently in the NCDOT Database, automatic resubmittal for P6.0 because the project is either (1) in the DRAFT 2020-2029 TIP; (2) has a partially complete or complete environmental document; or, (3) a sibling to a project in the DRAFT 2020-2029 TIP. A Carryover project will not count against CRTPO's 47 submittal slots.
 Holding Tank: Project has been deleted from the NCDOT database prior to P6.0 because it has not met one of the three criteria to qualify as a carryover project. Holding Tank projects can be resubmitted for P6.0 by using one of CRTPO's 47 submittal slots.
 New Projects: Project in the draft fiscally constrained project list of the 2045 MTP that is being recommended for P6.0 submittal. New projects have been prioritized by the nearest MTP horizon year and MTP score.
